Dear Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

As a means of complying with the duty of disclosure, Applicants submit an "Information Disclosure Citation in an Application" on Form PTO/SB/08a for consideration by the Examiner. Applicants respectfully petition and request that the Examiner consider the listed documents and evidence such consideration by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists, and does not constitute an admission that each or all of the listed documents are material or constitute "prior art". If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of

such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Because this Information Disclosure Statement is submitted after the mailing of a first Office Action on the merits of the application, the Commissioner is authorized to charge our Deposit Account, 50-3118 the required fee in the amount of \$180.00 and any additional fees (or credit any over payments) that may be required in association with this communication.
